## SUMMER CAMPS 2012

### "HANDWRITING BOOTCAMP"

Ages 4-7 | Monday 11:00-12:00

This group is led by an Occupational Therapist and focuses on supporting children with fine motor delays. Fun and creative sensory activities, in combination with school based handwriting program will give your child the foundation necessary for proper grasp and letter formation. Programs are individualized to each child and focus on the acquisition of pre-writing skills. *\*OT Prescription Required*

### "RELAX & RELATE"

Ages 8-10 Thursday 3:30-4:30

Our friendship group is for children who would benefit from a supported social group setting that focuses on improving peer interactions, understanding non-verbal social language, and building social self-esteem. Topics of interest that will be discussed are bullying, social thinking (*Michelle Garcia Winner*), making and maintaining friendships, reading & understanding social cues, and learning to relax & relate in a fun and accepting environment!
